

## Unified Green Cleaning Alliance Meeting V

February 20, 2003; 8:15 am.

Directions to The **Evergreen State College**, 2700 **Evergreen Parkway** NW, Olympia, WA 98505. Mapquest claims this trip will take ~ 2hours from downtown Pdx to the College.

Our meeting will take place in the *Longhouse*. You can find it at the left center of the campus map pictured below. (We are also posting a pdf file of the [campus map](#) on which it may be easier to see details.)

You will need to pay for parking (\$1.50/day) at the parking booth which is located on McCann Plaza, the college entrance road. Closest parking to the Longhouse will be in "B" parking lot to the left (or West). We recommend that you use the maintenance drive which can be seen to the left of the Accessible Parking symbols in B lot. The parking booth can answer questions and give directions.
